**a. 2016-17 BC Pathways (Renegade Roadmap)**

Janet Fulks, Interim Dean of Institutional Effectiveness provided an overview of the 2016-17 BC Pathways (Renegade Roadmap). Fulks presented a power point, which is located on the Senate website:

<https://committees.kccd.edu/bc/committee/senate>

***2016-17 BC Pathways – The Renegade Roadmap***

***October 19,2016***

***Introduction:***

*Over the last three years BC has been focusing on strengthening student success through Mentoring First Generation students, creating programs in Degree Works, instituting Multiple Measures, developing ADT's, embedding matriculation in high schools, so what is next?*

*Following the Strategic Directions model we would like to build an implementation team and plan for Bakersfield College's unique flavor of guided pathways. This DRAFT is the beginning of a college-wide plan to focus and provide overarching guidance to BC's Renegade Roadmap. It will be submitted to the Academic Senate, College Council, Educational Administrators,*

*SALT and other campus committees for feedback. Please direct your input to [jfulks@bakersfieldcollege.edu](mailto:jfulks@bakersfieldcollege.edu)*

**WHAT:**

*In 2016 Bakersfield College was selected as one of 30 colleges nationally to participate in the AACC Pathways initiative, an institute-driven national program designed to help colleges as they create their own local college pathways with expert guidance and collaboration between colleges. The pathways application went through Academic Senate, College Council, and other presentations were made in September 2015. Submission for the program required a college-wide readiness survey be completed and turned in with the application (Sept 2015), used as part of the selection process, and showing that college-wide leadership were supportive. The college had a large number of focus group meetings discussing the book "Redesigning America's Colleges" with documentation at*

*<https://www.bakersfieldcollege.edu/employees/professional-development/book-discussion>*

*followed by a statewide Pathways Institute at Bakersfield College with materials posted at <https://www.bakersfieldcollege.edu/conference/redesigning-community-colleges>*

*Additional materials available at <https://www.bakersfieldcollege.edu/president/aacc-guided-pathways>*

The problem is that BC students are taking too many units with an average of 84 units, taking too long to graduate, and spending too much money in the process.

The Pathways is a set of courses (roadmap) that you can take to prepare for your major. The power point provides a series of course success rate graphs. Below are the highlights of the presentation:

Pathway Essentials:

- Whole programs of study
- Informed choice and majors
- Default pathways
- Guaranteed milestone courses
- Intrusive, just-in-time advising
- Math alignment to majors

Pillars of Pathways:

1. Clarity: Clarify Pathways (mapping pathways to student end goals)
2. Intake: get students on pathways
3. Support: keeping students on pathways with intrusive advising and support
4. Learning: learning with intentional outcomes

In closing, Fulks asked the Senate to provide input on the Pathways concept. The Senate will make a committee call for faculty who may be interested in joining the Pathways task force.

d. Dual Enrollment Task Force (Holmes)

*Description: A Task Force was created to develop policies/procedures for Dual Enrollment. Draft handbook has been posted to the Senate website.*

e. Unit Restriction Task Force (Saldivar)-*report submitted as written*

*Description: proposal on unit restrictions during priority registration.*

*Unit Restriction Proposal Task Force Report  
October 13, 2016*

*The Unit Restriction Proposal Task Force met on Thursday October 13, 2016. After reviewing and discussing data provided by Michele Pena and Dr. Janet Fulks, we came to the conclusion that placing unit restrictions on students during early registration would not significantly affect the number of students on waitlists. Therefore, we I rescind the proposal at this time.*

*Secondly, the task force discussed a 'glitch' in Banner that may significantly influence waitlists: Michelle Pena mentioned that Banner allows BC students to get on multiple waitlists for the **same** course. This 'glitch' can be easily be remedied at the district office by a simple 'click of a box'. Therefore, Michelle Pena will forward the task force's request to remove the ability for students to sit on multiple waitlists for the same course.*

*I would like to thank the following BC staff for the open and honest discussion regarding greater access to BC courses;*

*Andrea Garrison*

Michelle Pena  
Jonathan Schultz  
Jennifer Achan  
Stig Jants

*I would also like to thank the BC Academic Senate for their continued support for student success.*

*Joe Saldivar, Ph.D  
Faculty Chair, Biology Department  
Bakersfield College*

f. BP 4D1D Minimum Graduation Req. (Johnson)

*Description: Moving sections 4D1E1-4D1E3, 4D2C and 4D3C to procedures. Academic Senate is requesting the following language change: "All courses applied towards a degree or certificate of study, including courses in the general education pattern must be completed with a "C" or better, or a "P" if the course is taken on a pass/no pass basis." Additional discussion of whether language changes or additions are necessary due to BC offering a Baccalaureate degree.*

*Vice President Gomez-Heitzeberg requests data regarding how many CSU's and UC's require 2.0 instead of a 2.0 average in their GE courses.*

*Golden Four: Oral Communication, Written Communication, Critical Thinking, and Math (at least should be adjusted for a minimum of a "C" or better.*
