

Faculty,

With the adoption of Resolution 10.01 F16 by the ASCCC at its Fall 2016 Plenary Session, the Discipline List Minimum Qualifications review now occurs annually. The process for change appears to take a year.

Please visit the website

and find your particular discipline. If you would like to submit a change please contact me. If there are any changes I would like to take them to the Area A meeting before the Spring, 2017 Plenary.
