

BC Curriculum Committee Goals 2016-2017

Goal 1: Provide the knowledge and training necessary to accomplish the approval and renewal of curriculum.

Goal 2: Address process issues that are relevant to the approval and renewal of curriculum.

Goal 3: Address technological issues that are relevant to the approval and renewal of curriculum.

Charge: The Curriculum Committee is a standing governance committee that functions as a vital subcommittee of the Academic Senate. The primary purpose of this committee is to ensure that curriculum is consistent with the mission of the college, addresses the needs of students and the community, and meets the requirements of law and regulation. Curriculum includes programs of study (degrees and certificates) and individual courses. As such, it must support strong transfer and vocational programs and include a strong general education program as the foundation upon which students will build.
