

**PRC Report to Academic Senate
January 30 2019**

Kim Nickell, faculty co-chair

Charge

In support of the College's mission, the Program Review Committee (PRC) facilitates an annual, systematic self-assessment of institutional effectiveness for instructional, student services, administrative, and operational areas. PRC provides training, feedback, commendations, and recommendations related to the program review process. The committee contributes to "Closing of the Loop" by disseminating resource allocation requests to responsible committees. The committee reports monthly to Academic Senate and annually to College Council and Administrative Council at their last meetings of the calendar year.

Focus for spring 2019:

- Steve Waller will facilitate AUO conversation within the administration, and by April, we need to have a solid way to handle AUOs for the next program review cycle.
- Data available for programs needs to be further enhanced with Amber Hroch.
- Equity and disproportionate impact needs to be better described in the new Program Review forms.
- Deep dive into our work in eLumen to get all instructional programs in for the 2019-20 cycle.
- eLumen training for areas/programs to complete their program reviews.

If you have any questions, please check the committee's page, contact me, or contact your representatives on the committees. If your area has no representation on the committee, please consider joining us.
