

**ISIT Committee meeting of February 1, 2021**

1. The committee revised the annual employee survey regarding technology services. A draft of the survey will be reviewed at the ISIT meeting of March before the survey goes out.

The following updates were reported:

- Academic Technology—weekly ‘Blasts’ are sent providing office hours and workshops by the BC Technology team.
- Student Success—the A&R and Financial Aid help ticket desk has a tracking system that helps with notifications.
- Tech Support—the BC Southwest center will have new classroom buildings ready to go in the fall semester. Other construction news: ABC building is a little behind, S&E building is midway, construction of new Gym is readying to break ground, and upcoming is the remodel of the Welcome Center, BC Bookstore, Business offices. (Delano projects upcoming too).
