

Police Science (PSCI)

Police Science Degree is not available in the state of California.

There are approximately 15 LE agencies in Kern County.

Those agencies employ over 7800 uniformed officers.

Criminal Justice has over 1600 unduplicated students.

Early college/dual enrollment currently has 240 students in the Administration of Justice Pathway.

AB 89 mandates a bachelors degree for certain law enforcement.

Bakersfield College PSCI BDP

- The bill mentions the development of the modern policing degree.
- We have developed the PSCI degree curriculum with this in mind.
- BC is uniquely qualified to lead this implementation.
- We recommend support and approval from the Academic Senate.
