

Program Review Committee Report to Academic Senate

November 30, 2022

Kim Nickell, Faculty Co-chair

- Program Review has finished the 2022-23 cycle.
- All but 4 Instructional Program Reviews were completed. Kudos to everyone.
- ISIT invited those with technology requests to their November 28 meeting.
- Program Review has wrapped up its meetings for the year, and members will be finishing the read and feedback process in the coming weeks.
- Trends and issues that have bubbled up in the Program Review process will be used for Spring 23 goal setting and updating next year's cycle, which will go out in April 2023.
