

Bakersfield College Budget Committee - Report to Academic Senate
March 1, 2023

The Budget Committee's regular scheduled meeting for February 27, 2023 was CANCELED.

1. On Thursday February 23, 2023 acting Vice President of Finance and Administrative Services, Danny Villanueva, resigned. KCCCD Chief Financial Officer, Mike Giacomini (and previously BC VPFAS) was contacted for availability. Unfortunately, Giacomini was not available and thus the meeting was canceled.
2. Due to the cancellation of the meeting, members received for review, via email, draft minutes of the last meeting.
3. The committee members also received, via email, the current BC Budget Decision Criteria document for review. The document was created during a budget crisis to address primarily how best to make budget decisions during downturns and not necessarily stable/prosperous years.
4. The next scheduled Budget meeting is Monday March 27, 2023.

The District Wide Budget Committee has not met since January 20, 2023.
