

# Assessment Report to the Academic Senate

April 27, 2023 | Faith Bradham, Faculty Co-Chair

- Assessment last met on April 21 and will have its final meeting of the academic year on May 5.
- Becka Zepeda (Biology) has been appointed the next Assessment Committee faculty co-chair—congratulations to Becka!
- The college deadline for faculty to enter assessment data from 2022-2023 into eLumen is **June 1, 2023**.
  - If faculty need help with this, please see the [Entering Assessment Data into eLumen](#) tutorial.
  - Additionally, please keep an eye out for emails advertising drop-in Zoom workshops during finals week, hosted by Assessment Committee members, for faculty who would like more hands-on help in entering their assessment data into eLumen.
- Assessment has reviewed 100+ courses & programs in eLumen in the past 2 weeks as part of the end of semester curriculum push.
- Assessment has compiled [preliminary results](#) of the artifacts it received as part of the committee's assessment of ILO 3 this semester—results are very promising so far, with all of the 19 artifacts (spanning all of BC's pathways) meeting or exceeding expectations in asking students to demonstrate competency in a field of knowledge or a job-related skill.
