

Program Review Report to Academic Senate

February 28, 2024

Goals of the Committee:

1. To review Annual Program Reviews and personnel requests ensuring that departments follow a data-informed needs assessment and have set measurable goals for improvement that align with College goals and budget criteria
2. Create a review and reporting mechanism for personnel requests and report to College Council and the President whether requests were data-informed and embedded in APRs
3. Analyze and adopt APR checklist to provide useable feedback to departments, the President and College Council
4. Compile Recommendations, Commendations, and Trends and report to College Council and President.
