

# Safety Advisory Committee Report to Academic Senate

April 17<sup>th</sup>, 2024

## Announcements:

- No new announcements.

## Completed Items:

- Safety Day completed 3/27/2024. Debriefing and feedback showed this was a positive experience. Some learned that gun shots were not heard at all or that loud. Some reported that gun shots sounded like someone clapping with cupped hands. In a real situation you may not be able to discern gun shots and must rely on notifications to save critical seconds.

## Upcoming Items:

- A bid has been received to have a consultant conduct a thorough study to verify the need of having a Police Department on Campus. Background can be found in previous reports.
- Bids have been received and sent to Calvin for funding for bollards/gates to prevent unauthorized vehicles on campus.

Respectfully submitted,

Roy Allard, Faculty Co-Chair  
Joe Grubbs, Administrative Co-Chair
