

# EODAC Report to Academic Senate

February 12, 2025

## Meetings

The committee held a Special Meeting on January 24, 2025 and a regular meeting on February 7, 2025.

## Charge Review

Members updated and approved a change to the scope of the committee charge to address a concern raised by President Fliger and College Council. Charge is returned to College Council.

## Committee Goals for 2024/2025

Apart from the 3 goals set last fall (see my [November 1, 2024 report](#)), members have started conversations on a fourth goal to learn and document how BC is meeting the ACCJC requirement for member institutions to promote equity, diversity, and inclusion.

## BC Diversity and Equity Commitment

Members have approved a proposed BC Diversity and Equity (D&E) Commitment that aligns with Title 5, ACCJC standards, Vision 2030, Kern CCD BPs, and BC mission and vision statements. The Academic Senate E-Board will have a second read of the proposed D&E Commitment next week.

Respectfully submitted,

Gilbert Ayuk  
Faculty Co-Chair
