

District-Wide Accessibility Taskforce Report to Academic Senate

April 9th, 2025

Goals of the Taskforce:

- Share resources, ideas, and directions related to the Accessibility Capability Maturity Module (ACMM) work across colleges in the district.
- Facilitate coordination of accessibility efforts between colleges and the district office.

Announcements:

- An online training module for accessibility is being developed. It will be distributed widely once completed.
- Commonly used documents are being updated to increase accessibility. This includes:
 - Absence forms – to be available in BanWeb for online submission.
 - Faculty evaluation forms – coordinating with CCA.
- Software procurement guidelines are being developed.
- The first draft of an accessibility checklist has been developed for faculty to consider when adopting textbooks.

Completed Items:

- N/A

Upcoming Items:

- Next meeting is April 22nd from 12:00 – 1:00pm.

Respectfully submitted,

Sara Manuel
