

COLLEGE COUNCIL/CO-CHAIRS JOINT SUMMER WORK SESSION AUGUST 12, 2013

Present the following information:

- Share committee updates since the May 9 Co-Chairs meeting
- Discuss committee goals for 2013-14, especially as they relate to the updated strategic focus

During each other's presentation, we'd like you to reflect on:

- How can my committee collaborate with, and provide support to, other committees so that the work of College committees can be more efficiently integrated?
