Hi all,

Bill and I are both out with the flu, so we're going to cancel today's meeting.

I'd like to keep us moving on our current projects. If you have any feedback about this semester's climate survey, please email them to me and Bill by Thursday, and we'll incorporate them into the survey monkey form for distribution. The questions are listed under our last meeting's documents.

I'll also put together the web page review assignments and send them out to you via email over the next day or so.

Sorry for any inconvenience!
