Chairs Report: Grace & Jessica A) New ACCJC Standards & ACCJC Social Justice Statement Review of our mission statement to support ACCJC's commitment to social justice. Expect the new standards to focus more on social justice & equity and less on shared governance. Should AIQ draft a statement about accreditation concerns over the Senate approval or not of the charge of EODAC? Should we give Grace authorization to present to the Senate: Grace will email out a draft statement to all AIQ committee to vote on approval. B) Core Value - Community: We commit to the wellbeing of all members of our community; we maintain strong ties with the surrounding community, and we respond to their needs by serving as an open institution which engages all students, faculty, and staff; in our college, we have built and continue to build an environment in which all members participate as a community through democratic engagement.	
Presentation & guest speakers: Online Course Success Rates: Alex Rockey & Faculty from Communication department: Neeley Hatridge, Angela Bond, Fabiola Butcher, Talita Pruett Presentation on online enrollment data. The communication department piloted a program for fully online courses. Obstacles: • Consistency of course design with each faculty • OER materials • 'Nearly fraudulent' students • Limited number of sections during priority registration • Underdeveloped student skills for asynchronous courses	
Assessment: Updating assessment plans and collecting evidence for ILO #3	
Program Review: Kim Continuing to prepare for next review.	
Strategic Directions: Kristin Continuing to meet with Todd about strategic directions-plan to update at next meeting.	

ISS – Review and Recommendations: Jessica & Grace ISS for Non-Credit Certificate Completion We have 2 years of data the first year is 14 and the second is 306 and we need to set an ISS recommendation- AIQ will watch and determine ISS Persistence ISS-State of the College document-consider adding to our ISS perhaps next year. Success Rates: Recommend remove "overall online" including dual enrollment, and then show the separation of asynchronous, synchronous and addition of hybrid, face-to-face, and remove CTE success.
