**a. Faculty Co-Chair**

Please reach out to faculty in your area for mapping completion as well as a reminder for completing their SLO assessments. Resources are on the website. This year the committee has reviewed SLOs for 349 courses and PLOs for 44 programs. Brent mentioned the tremendous amount of hard work the committee has completed and thanked everyone for their dedication and service this year.

**b. Administrative Co-Chair**

Lora asked for members to reach out to others they think may want to join the committee for next academic year. Lora also asked if everyone was staying on the committee, no one mentioned leaving.

c. **SLO-PLO/SLO-ILO/SLO-GELO Mapping**

Brent posted an updated list. ILOs are 86% done and GELOs are 40% done. Please send any completed mappings to Brent.

d. **ILO Sub-Team**

Brent asked if anyone heard any feedback about the survey? Maybe ask your departments. Brent supplied a link with Sooyeon's presentation from the last meeting. A question was asked if a committee member could reach out to Sooyeon for specifics for their department? Brent thought yes, but would need to fill out a research request through OIE.

None.

None.

X. **Unfinished Business**

a. **2021-22 Program Review Assessment Report**

Brent updated the page with placement for new examples and information. ANTH and ELET gave their approval to be used as examples.

b. **Form to enter SLO data for adjunct/PE**

Brent updated the form based on feedback from previous meetings and it is posted to the committee website. Lora asked if there was any feedback as she would like to send it out to FCDC.

XI. **New Business**

a. **Discussion: The Future of Assessment**

Brent reviewed the advancement of the Assessment Committee over the past four years. The next site review for accreditation is 2024 and we need to prepare with more informative data. Maybe create a new tool to assess other ILO studies to show intent. Maybe have professional development on how to map. SLO and PLO performance development and incorporation into Program Review. Question was asked if anyone is using the Canvas to eLumen process. There is a tutorial on the eLumen Assessment website, but likely needs to be more awareness and training from updates in the process.

XII. **Assignments for SLO/PLO Review**

List posted to committee website.

XIII. **Adjournment**

Brent ended the meeting at 11:40 am. Best of luck finishing up the spring semester!
