BCSGA  
Bakersfield College

Dear Members of the Student Government Organization,

I am writing to express my intent to serve as a Senator within the BCSGA at Bakersfield College. With a strong commitment to student advocacy and governance, I am eager to contribute effectively to the betterment of our student body.

The role of Senator carries significant responsibilities, and I am prepared to fulfill them conscientiously. Specifically, I am enthusiastic about the following duties:

1. **Representation in Participatory Governance:** I pledge to represent the interests and concerns of our student body in the participatory governance process, ensuring that student voices are heard and considered in decision-making.
2. **Allocation of Funds:** I will diligently participate in the allocation of funds for Association business and events, prioritizing transparency and fiscal responsibility.
3. **Discussion of Student Issues:** I am committed to actively listening to and discussing issues that are relevant to our diverse student community, striving to find equitable and inclusive solutions.
4. **Reports and Committee Oversight:** I will attentively receive oral reports on participatory governance and BCSGA committees, staying informed and engaged in our organization's activities and developments.
5. **Office Hours:** I will maintain regular office hours each week to provide accessible opportunities for students to voice their concerns, seek assistance, and engage in dialogue.
6. **Legislative Responsibilities:** I understand the importance of legislative duties, including the production, deliberation, and approval of resolutions and bills. I will uphold the integrity of our Constitution and Codes while advocating for policies that promote the general welfare of the Association.

My background in the Lavender Initiatives Program, business administration, and being a student at BC has equipped me with the ability to understand student needs, the work that is done behind the scenes to provide a safe and fun space for the students, and the duties that will come with being a member of the Student Government of BC. These experiences have instilled in me a deep sense of responsibility and dedication to service.

I am eager to bring my energy, ideas, and commitment to the role of Senator. I am confident that my proactive approach and collaborative spirit will contribute positively to our student government and the entire college community.

Thank you for considering my candidacy. I look forward to the opportunity to serve and represent our fellow students effectively.

Sincerely,

Sara Pogue
