Dear BCSGA Executive Board and Fellow Senators,

It is with a heavy heart and profound sadness that I write to inform you of my resignation from my role as Senator at Large for the Bakersfield College Student Government Association. After much thought, I have come to the difficult decision that I must step away from this position due to an unavoidable academic commitment.

I have recently been accepted into a waitlisted Chemistry class that I desperately needed for my academic progress. Despite my attempts to join different professors' sections earlier in the semester, it wasn't until now that a professor finally accepted me into their class. This course is essential to my future, and not taking it would result in a one-year delay here at Bakersfield College—something I simply cannot afford.

While I am grateful for this opportunity, the class schedule unfortunately conflicts with our Senate meetings, and I will no longer be able to attend them. This decision has not come easily, and I am deeply saddened by the thought of leaving behind such a welcoming and supportive environment. Serving alongside all of you has been one of the most rewarding experiences of my time here, and I will cherish the relationships and memories we've built together.

Though I must step away for now, I remain dedicated to our shared mission and the well-being of our student body. I fully intend to return in the spring, and I look forward to rejoining the team with renewed energy and focus.

Thank you, sincerely, for the trust, encouragement, and camaraderie you have extended to me throughout the summer. It has been an honor to serve with all of you, and I hope to continue making a difference in our community when I return.

With deep gratitude and respect,

Nelly E Guadamuz  
Senator at Large, BCSGA
