I was registering and I did not un check BCSGA option, this also happen for Fall 2016 I did not know you could do an appeal, if I could also have that refunded , I did not use it or get the sticker. I did not know this option is at the top already was checked, so I noticed when I saw my schedule/ bill, but in Fall 2016 I was a new student, I was registering I saw this charge, I did not know what it was, but this time for Fall 2022 I just forgot to un check it.
