I do not use any of the Bakersfield College Student Government Association programs. When I updated my registration form I was not given an option to opt out of this fee or to opt in. When I saw the fee I verified this again. I am unsure as to why this charge was added to my account and feel that it was done so without my authorization. All of my courses are online and I do not anticipate being on campus next semester or using any of the student services offered by this program. I would like this fee removed.
