**Please explain in detail why you are requesting a refund. At least 100 word statement is needed. \***

Hello, I am requesting a refund due to the fact that I do not and will not use these services for BC. I was not aware of these charges up until yesterday when I asked financial aid what part of tuition I owe out of my own money and they informed me it was these services which I have never used. I do not use or plan to use the services either which is why I am requesting a refund for spring of 2023 and fall of 2023. Those are the two times I have been charged for the unneeded services. Thank you for your time.
