**Please explain in detail why you are requesting a refund. At least 100 word statement is needed. \***

I was a Dual-Enrollment student at BC. I was under the impression that my school was supposed to cover all tuition-related costs except for books. That is how it was told anyway. I felt it unnecessary to view my account's financial activity for that reason, so I never even knew about BCSGA Student Services. I would not like to have to pay for a fee never brought to my attention, a fee I never knew about, and a fee for a service I never used. On top of that, I hadn't even set foot on campus for my class until the Spring semester of 2023. Thank you for the services, but I find them unnecessary for myself. Would you refund the charge?

I have attached evidence that my school paid for the other charges (except the health fee).

Also, in your "tell us about you" section I would not have checked any of the boxes because I don't do any of those things, but I had to check one to turn in this form.
