**Please explain in detail why you are requesting a refund. At least 100 word statement is needed. \***

I am a DSPS student. I was unaware that these fees were automatically added to my registration when I registered for classes. In the past, I would have an opt out option so that I would not have this fee. I am on social security and I do not have the means to pay for these fees. I also do not receive any financial aid, which makes it more difficult for me. I am hoping that these fees can be reduced as I currently have a balance on my account in the amount of \$286.00 Removing the SGA fees will help reduce this balance. Thank you for considering my request.
