Hello I am an online student. I only attend classes online. I do not come to campus. Nor do I purchase books at BC bookstore. I have not been to campus for an event either. I have not nor will I take part in anything that the BCSGA: Student Services Program has to offer. I am requesting that the charges be reversed as I will not pay for service I will not render. I ask that you approve this request and not force a student to pay for services they do not use. I am sure this is beneficial for students that attend classes on campus but for me it is not ideal. Thank you.
