I was unaware of the fee and I would like to know if that fee can be waived because I am a high school student. During that time, I was a high school student and I didn't know that this fee was optional and this was my first time experiencing this fee. In my previous classes, I have not experienced and I would like to learn more on how to opt out of this optional fee. I just learned about this fee from the early college board and they helped with this situation and offered me this solution to the fee. Thank you for taking my request for consideration and deeply appreciated.
