I want to appeal for Summer 2023 and Fall 2023. I do not need the BSGA services for these semesters. I saw I also was charged for Spring 2023, but would like to see if I can appeal for that semester too.Also, I have been charged for each semester and I do not need the BC health Fee,BCSGA service and i was filling out this form to appeal for summer 20023 and fall 2023 because it charging me \$63 dollars. I would like to know if this Dreamact is going to cover up this bill I got yesterday May 1st 2023
