Hello, my name is Eloy Romero and I have not used any of the above listed benefits that this program offers or was aware I was paying for such welfare. I am glad you do provided these special benefits but I was not informed that this was optional when first paying for it and would like to repeal all interest and payments made to this. I would appreciate consideration for cancellation and reimbursement if possible. BC has truly been a blessing in my life and the life of my family, and I hope to continue my education built on the foundation that Bakersfield College has provided. Thank you very much.
