Please explain in detail why you are requesting a refund. At least 100 word statement is needed. *

I am requesting a refund because I am a high school student taking a concurrent class. I am trying to save up money for me to further my education. Since my freshman year, I have been taking classes through Bakersfield College and am working towards my Associate's in Agriculture Business. Because I am taking college classes now in high school, it will save me time and money for my future career. My parents have a low income, so it would greatly help our financial situation at this time. I hope to have a career in Ag Business or Marketing and having this fee appealed will help me save money for future educational pursuits.
