Please explain in detail why you are requesting a refund. At least 100 word statement is needed. *

I would like to request a refund because i am not interested in the services this sticker provides. I do not go to football games. I do not go to any of the restaurants the discounts offers. I do not go to any of the events on the Bakersfield College main campus. I do not use the student pantry as often as it offers. I do not use the GET bus for transportation. This sticker does not benefit me or my education. I would like to request a refund because none of the services it offers do not benefit me.
