I am appealing for the removal of the bcsга sticker because I find no need for it. Although I appreciate it, I really have no need for the sticker. I rarely go out anywhere other than where I live, I have aside from going to school so most of the time I only go to my classes. Most of my classes do not require I print out papers as they ask to send via canvas so I also don't have a use for that. Overall I have no need for this and would highly appreciate it if it was removed from my record. Thank you, Maria.
