I did not pay the \$15. I paid for the sum required outside of the \$15 BCSGA. I paid for this fee last semester because I did not know the charges became mandatory, I was NEVER informed. That is a problem. Throughout Spring 2023, I did not use the benefits at all, so why should I pay again?

I would like the fee removed or waived from any amounts I owe. I don't use any of services provided at BC because I work overnight, so I'm on campus for class and then I'm headed home. I don't have the time to utilize the provided services at BC.
