Hello I am consider some what new to BC and have only taken classes online. I have never used or obtained the card here in question. Being an online student and not actually coming to campus I have found that the use of the card and benefits does not apply to me. I am asking that you remove the fees associated with the card as I have never used or obtained a card. Nor will I use and obtain the card. I just feel as though it is an expense that I do not need. I understand the benefits as they would apply to students on campus. But they do not relate to me. Please remove the fees for all semesters. Thank You
