| Please explain in detail why you are requesting a refund. A minimum 75 word statement is needed. * | <p>Since enrolling at Bakersfield College, I have taken only online courses. I have never needed or used BCGSA services. Therefore, the sticker being charged to my account has no benefit for me, and I have just recently been made aware that I have the option to opt-out and receive a refund. I would appreciate it if I could remove these charges from my account and receive my refund, please. Any help will be greatly appreciated.</p> |
