Please explain in detail why you are requesting a refund. A minimum 75 word statement is needed. *	I am requesting a refund for the BCSGA Student Services Program because I do not utilize the benefits this program provides. If I did, I would continue using the BCSGA program. However, because I do not, I would like to opt out of this program for the rest of my academic career here at Bakersfield College. I do not really participate in campus events so I would rather not pay for services I do not use. Thank you for your time.
