Please explain in detail why you are requesting a refund. A minimum 75 word statement is needed. *

I have never used this benefit and since I'm still high school enrolled, I do not get those benefits. These benefits would be nice for someone doing their college at bc but since I'm doing online through my high school, it doesn't help me. I didn't realize that these were going to cost me anything and they were added with out my permission. These benefits have no use to me. Therefore I'd like to kindly get refunded. Thank you for your time.
