I paid for and received a kvc sticker my first semester at Bakersfield college. During that semester I only used it to get the extra items at the pantry. Afterwards I seemed to not really use it for any other discounts as I don't use bluebooks or scantrons for my classes and I don't shop at any businesses that have the discount or I forget they use it. I stopped paying for the sticker and haven't needed to use it since. Currently it's just a fee that's on my student account for a sticker I haven't personally needed.
