A time limit of three (3) minutes per speaker and fifteen (15) minutes per topic shall be observed. The law does not permit any action to be taken, nor extended discussion of any items not on the agenda. The Body may briefly respond to statements made or questions posed, however, for further information, please contact the BCSGA Vice President for the item of discussion to be placed on a future agenda. (Brown Act §54954.3)*

- a. CCA Grant Proposal: Consent Project Club Decorate Your Denim- Allocation for \$250.00  
April 26th Denim Day, event for sexual assault awareness and supporting survivors.  
Need items for denim decorating.  
Significance of Denim comes from a 1992 incident in Italy.
- b. CCA Grant Proposal: Architecture Club – Cal Poly Design Village Travel Allocation for \$1,100  
Annual design competition between universities and CCCs. We placed 5th last time, the highest of any CCC placement. Design a habitat for you and your team to live in for the weekend.  
CCA grants can be used by any department of faculty for the purpose of bettering a student's experience on campus, or has a return.
- c. CCA Grant Proposal: Student Success Fair–Allocation for \$1,000  
Familiarize students with what's available. Those who need them most are by definition marginalized, so we want to normalize supporting such students. This is retroactive funding that we can use for the future.  
Considering doing talks, reaching out to students, marketing, be wary of weather in order to increase turnout for the future. This was a trial run. Maybe offer prizes for students who get signatures from all tables.
- d. CCA Grant Proposal: Consent fair – Allocation for \$250.00  
Held Consent Fair 3 weeks ago. Request for OSL supplies and snowcones, popcorn, water.
