BCSGA Department of Activities: Grant Request Letter of Support

Re: 2Amend, Sunni Crawford

This letter is written in support of an important BCSGA Department activity to be hosted during our annual Black History Month. A foundation of strength is the theme of “Barbershop Talks” and the methodology for this year’s talk is centered around the showing of the epic film, “Black Panther. “

I am honored and pleased to recommend this letter of support to the 2Amend Affinity Group which always focuses on educational and professional career pathway success. I believe our call to action is to support our Bakersfield College students through this outstanding BCSGA video media experience.

Sincerely,

Dr. Tommy W. Tunson
Professor of Criminal Justice
Bakersfield College
