Re: Student Support for Trip to National Convention

This letter is in support of the BC Chapter of SAF Forestry Club using funds to secure transportation. The Forestry Club would like to attend the Society of American Foresters national convention, which this year will take place in Sacramento, CA in October from the 25-28th. The club is requesting funds to rent a minivan. This is an important part of the students learning professional skills as they will network with other professionals and students, see how professional presentations are made, volunteer and help out behind the scenes, and experience what a professional conference is like and how it can help them in the future. Please consider their request. Thank you.

Dr. Renaldo J.S. Arroyo
Club Advisor
Professor of Forestry and Natural Resources
Bakersfield College
