2009-10 Bakersfield College Goals

1. Student Excellence

Research various prerequisites, assessment testing, placement, and retention methods to improve student success.

2. Communication

Develop a protocol with procedures and training that ensures all College constituents will receive and use the information essential for their work, study or participation in campus processes.

3. Oversight & Accountability

Establish mechanisms and training that ensure employees understand their role in the college and the concept of accountability, both individually and collectively, a positive expression of which is “Renegade pride”.

4. Fiscal Responsibility

Create and adopt a Bakersfield College campus-wide budget development process that maximizes transparency, which includes an evaluation of that process.

5. Facilities

Develop and implement strategies for effective maintenance and beautification of campus.

6. Images

Identify and support specific projects, activities and programs that enhance the college's reputation within the institution and in the community.

7. Linkages

Create a document that clearly outlines how decisions are made.
