## **2010-2011 Bakersfield College Goals**

### **1. Student Excellence**

*Encourage student excellence by addressing basic skills at all course levels, research various prerequisites, placement and retention methods, and use results to improve student success.*

### **2. Communication**

*Develop a protocol with procedures and training that ensures all College constituents will receive and use the information essential for their work, study or participation in campus processes.*

### **3. Oversight & Accountability**

*Establish mechanisms and training that ensure employees understand their role in the college and the concept of accountability, both individually and collectively, a positive expression of which is "Renegade pride". Provide training to collegewide committees, departments, programs, and staff/student organizations on how to effectively utilize the Decision Making Document (DMD) and participate in a year end evaluation of the plan and training*

### **4. Fiscal Responsibility**

*Create and adopt a Bakersfield College campuswide budget development process that maximizes transparency, which includes an evaluation of that process.*

### **5. Facilities**

*Develop and implement strategies for effective maintenance and beautification of campus.*

### **6. Image**

*Identify and support specific projects, activities and programs that enhance the college's reputation within the institution and in the community*

### **7. Linkages**

*Reinforce the importance of accreditation as part of college life by embedding it in the charges of college committees, conducting training and creating a Self Evaluation Committee that will make recommendations to the Accreditation Steering Committee.*

*Assess, share and report to the college community progress on each of the goals.*
