

# Are your students poor writers?

**Have they forgotten everything they learned in English classes by the time they get to your courses?**

Join the Assessment Committee **Writing in the Disciplines** Think Tank that will work on strategies to address this important issue.

The goal is to work together to learn ways to deal with assigning and grading writing, without adding hours to already heavy course and grading requirements.

For the Think Tank to benefit the disciplines, it is critical that the disciplines provide input.

Join the **Writing in the Disciplines** Think Tank and add your expertise to this endeavor. The kick-off meeting is planned for Thursday, January 10, 2013, from 11:30 am to 2:00 pm in **Levinson 40**.

A light lunch will be provided, so we need a reservation from you. We look forward to hearing from and working with all of the disciplines.
