

Reports to Academic Senate for October 15 & College Council for October 17 2014

Kate Pluta, faculty co-chair, October 1, 2014

Accreditation & Institutional Quality Committee (AIQ)

See <https://committees.kccd.edu/bc/committee/accreditation> for supporting documents

The committee

- monitors the Accreditation Midterm Report process.
- has discussed the development of institutional effectiveness indicators.
- is developing an institutional planning calendar, first capturing how we schedule things now and then making recommendations about how we could schedule planning activities more effectively.

Program Review Committee (PRC)

See <https://committees.kccd.edu/bc/committee/programreview> for supporting documents

The committee is

- reviewing and responding to the Annual Updates and Comprehensive Program Reviews.
- discussing how to handle program reviews that come in late or do not come in at all.
 - For example, some programs submitted position requests to meet the FCDC deadline but did not submit program reviews.

If you have any questions, please check the committee pages, contact me, or contact your representatives on the committees. If your area has no representation on the committee, please consider joining us.
