

**President's Report to College Council**  
April 17, 2015

Since the March 20, 2015 College Council meeting here are a few highlights:

**Institutional Effectiveness Partnership Initiative (IEPI) March 24, 2015:** On March 24, 2015, BC hosted the IEPI regional workshop at the fireside room. It was a sold out event and we had to limit the size of the BC team<sup>1</sup> who attended. Janet Fulks will be presenting on the IEPI at today's meeting. I am on the IEPI state-wide steering committee as well as chairing one of the six pilot technical training teams called Project Resource Team (PRT) on April 27, 2015.

**Achieving the Dream March 25, 2015:**

- We had a successful visit from both our leadership coach and our data coach. They wanted us to focus more on "evaluation" both formative and summative. Our data coaches will start working on this aspect right away. In the meantime we will contract with the RP group using funding from SSSP and Equity to help frame the evaluation.
- We submitted an application to be part of a study being conducted by Pearson on the impact of advising on academic performance of students.

**Inmate Education:**

- Prison tour on March 27, 2015
- Initiated a workgroup to start looking at establishing processes and systems for this initiative. The workgroup<sup>2</sup> met for the first time yesterday, April 16, 2015

**Board of Trustees Report:** The April 9, 2015 Board meeting was here on campus. The lunch was spectacular and the presentation by Jen Garrett and David Koeth was remarkable. At the Board meeting we received a check for \$10,000 from the Bakersfield Sports Foundation. Many of you came out to attend the lunch and/or the board meeting. Thank you.
