College Council 2016-17 Self-Evaluation

Q12 Your strongest/clearest memory about a discussion or an activity at College Council this year.

Answered: 13 Skipped: 5

#	Responses	Date
1	The clearest memory I have of a discussion was based on the smoke-free campus initiative.	5/16/2017 8:36 AM
2	The facilities and maintenance reports that kept us up to date on what we could expect to happen on our campus and a timeline on when to expect it to be completed.	5/15/2017 8:46 AM
3	1. Closing the loop 2. Institution-set standards	5/14/2017 5:15 PM
4	Annual Administrative Structure Presentation - good overview, good explanation, good process, good response to questions. Obvious that the task group all participated and owned their work.	5/9/2017 10:35 AM
5	A strong and clear memory I carry regarding the Council, was a statement made that mentioned how important it is for the students to understand the Council so that in the event their feedback is needed, they would be able to clearly address any and all questions. I appreciated the respect the Council directed towards the student body.	5/8/2017 2:54 PM
6	No single event stands out, we've had many meaningful discussions on many topics. What stands out the most for me is being able to hear the various perspectives on issues (classified, faculty, admin, etc), it's important to consider how each campus area will be impacted, and sometimes we forget that and only view issues through our 'area'.	5/6/2017 10:05 AM
7	Setting institutional effectiveness standards and pathways discussions.	5/5/2017 11:20 AM
8	The discussion that sticks out most from memory is when President Christian addressed our group after Election Day regarding students with concerns about immigration laws and changes. Our President addressed the group with beautiful civility, simply stating that she would stand by all of the students that might potentially be affected. The discussion that followed was very heartfelt and comforting to know that our group really stands up and supports our students. That's an awesome feeling!	5/5/2017 10:04 AM
9	This years strongest would have to be supporting Measure J. So many groups supported this measure for our college.	5/5/2017 9:56 AM
10	Our field trip to visit the building that will become the new Veteran's resources center.	5/5/2017 9:54 AM
11	I am new to college council because I replaced someone late in the year. However my experience to date has been great. I appreciate having correct information to pass on to my co-workers.	5/5/2017 9:53 AM
