AB 705 Analysis of Pass Rates of Groups of Students in Transfer-level English

11th grade cume GPA < 1.9

- 43% pass rate
- ~10% of students

11th grade cume >=1.9 and D or worse in 11th grade English

- 49% pass rate
- ~5% of students

11th grade cume >=1.9 and C- or better in 11th grade English

- 62% pass rate
- ~23% of students

11th grade cume GPA >=2.6

- 80% pass rate
- ~62% of students

AB 705 requires community colleges to optimize students' probability of completing transfer-level math and English within one year. It also prohibits colleges from placing students into a basic skills class that will extend students' time to completing transfer-level math and English unless a student is highly unlikely to succeed in the transfer-level coursework without the basic skills course.
