<p style="text-align: center">Accreditation Task Force Report for College Council meeting of 03/02/2018.</p>

Prepared by: Jason Stratton

Over the past two weeks the Accreditation Core Team met to evaluate the communication timeline for the ISER.

The co-leads have modified the presentation dates to synchronize with another work-flow document that tracks the process of editing. This is now available in the College Council Committee documents.

In addition, members of the Accreditation Core Team, and others involved, attended the ASCCC Accreditation Institute, in Anaheim, CA, last week.

- At this meeting, the team split up to attend different presentations relevant to their own areas of engagement in the Accreditation Process.

Intensive final editing work continues in preparation for review by the KCCD BOT Accreditation Subcommittee next Thursday [March 8th].

Important dates to note on the BOT subcommittee timeline are:

- March 8, 2018 BOT Review of Standard I Draft

- March 30, 2018 Standard II -IV Drafts due to subcommittee

- April 12, 2018 BOT Review of Standards II and III Drafts

- May 3, 2018 BOT Review of Standard IV Drafts (with detailed presentations on IV.C and IV.D)

- June 14, 2018 BOT First Reading of Final ISERs

- July 12, 2018 BOT Second Reading of Final ISERs

On April 20, 2018 the ISER and QFE reveal will take place at the Delano Campus.

- It will be streamed/ zoomed to the Panorama Campus in L149 and L147.

Thank you,

Dean Liz Rozell

Prof. Jason Stratton.
