

District Consultation Council Written Report to College Council

September 6, 2018

Prepared by Sue Vaughn, Management Association

Proposed changes to BP6J & AP6J

1. During our discussion we suggested to changes for clarification, the first is to replace "for classified employees who are not members of any bargaining unit are:" in 6J5 with "for classified employees who are not represented by a bargaining unit are:"

***Note that some of members are educational administrators rather than classified managers and some are confidential classified that cannot be represented by CSEA.*

2. The second change is in 6J5F, to insert "unauthorized" to read, "Possession of unauthorized alcoholic beverages while on or in District property"
