BC regularly engages our primary college-wide ***governance committees*** in the evaluation and revision of policies and practices. Examples include:

Committee	Engagement in Practice/Policy Evaluation & Revision
College Council	Evaluated and provides feedback on program review findings to PRC (I.B.7-7 ; I.B.7-8 ; I.B.7-9) Reviews and approves the <i>Closing the Loop</i> allocation report (I.B.7-10) Develops a work plan and evaluates progress annually (I.B.7-11 ; I.B.7-12 ; I.B.7-13)
Academic Senate	Reviews Board Policies in partnership with College Council; provides feedback to college representatives on the District Consultation Council (I.B.7-14 ; I.B.7-15) Approve all governance committee charges in partnership with College Council (I.B.7-16)

Many of our committees regularly conduct surveys to collect feedback about the effectiveness our processes from the college ([I.B.7-17](#); [I.B.7-1](#)).

IV.A.1 | Institutional leaders create and encourage innovation leading to institutional excellence. They support administrators, faculty, staff, and students, no matter what their official titles, in taking initiative for improving the practices, programs, and services in which they are involved. When ideas for improvement have policy or significant institution-wide implications, systematic participative processes are used to assure effective planning and implementation.

Dr. Christian ensures *effective control of the college budget and expenditures* through the Budget Committee, chaired by the Vice President of Finance and Administrative Services ([IV.B.5-5](#)). The Budget Committee “supports the college mission, goals and values through comprehensive evaluation of data relevant to the college annual planning process for resource allocation.” The President is a member of the Budget Committee, and the Budget Committee reports to College Council chaired by the President. The *Closing the Loop* document we describe in Standards I.A, I.B, and III.D makes public the President’s Office expenditure decisions and how they tie back to the planning in program review and Strategic Directions. Finally, the budget reserve data we present in our response to Standard III.D.9 show that Dr. Christian has kept a very effective control of our budget and expenditures.

The College meets Standard IV.B.5.

Shuttle Schedule

Parking

The following parking lots are closed for the final phase of parking lot renovations:

- P8 (Student parking lot on University Avenue next to football fields)
- Road with entrance from University (closed until the Field House)
- P11 (Staff parking lot near LA building and pool)

The P9 parking lot (staff parking lot near tennis courts) will be closed for one week, from October 8-October 15. The final phase of parking lot renovations will be completed by October 15.

During the final phase, we have opened a temporary parking lot for students and staff.

Please see the map below to view all of the open and closed lots, as well as the location of the temporary parking lot. The map can also be seen at <http://www.bakersfieldcollege.edu/abetterbc>.

Our M&O crew has set up mirrors to assist in entering and exiting the temporary lot, as well as stop signs. The gravel in this lot is a bit larger than expected because that area is the future construction road for AECOM and Measure J projects. We have temporarily converted it to a parking lot in our continued efforts to alleviate congestion. This area will be back into the construction zone as soon as the parking lots are completed.
